ABOUT BUILDING CONTROLS & SOLUTIONS

Building Controls & Solutions is the pre-eminent distributor of energy management, building controls, automation, and gas detection solutions for the Commercial HVAC community from the leading industry brands, providing in-market value-added services from our team of local experts and a commitment to helping our customers build and maintain comfortable, cost-effective, and safe building environments.

“I get all my building automation products and services at the best prices from an experienced staff. BCS has all the top brand names we use.”

Lead Building Engineer,
Vivint Arena,
Home of the Utah Jazz
